Additional Terms of the Sales Agreement

Definitions. "Contract" refers to this Retail Installment Contract and Security Agreement. The pronouns "you" and "your" refer to each Buyer signing this Contract, and any guarantors, jointly and individually. The pronouns "we", "us" and "our" refer to the Seller and any entity to which it may transfer this Contract. "Vehicle" means each motor vehicle described in the *Description of Property* section. "Property" means the Vehicle and all other property described in the *Description of Property* and *Additional Protections* sections.

Purchase of Property. You agree to purchase the Property from Seller, subject to the terms and conditions of this Contract. You also agree that the purchase of the Property on credit takes place at the Seller's licensed location identified at the top of page 1 of this Contract. Seller will not make any repairs or additions to the Vehicle except as noted in the *Description of Property* section.

You have been given the opportunity to purchase the Property and described services for the Cash Price or the Total Sale Price. The "Total Sale Price" is the total price of the Property if you buy it over time.

General Terms. The Total Sale Price shown in the *Truth-In-Lending Disclosure* assumes that all payments will be made as scheduled. The actual amount you will pay will be more if you pay late and less if you pay early.

We do not intend to charge or collect, and you do not agree to pay, any finance charge or fee that is more than the maximum amount permitted for this sale by state or federal law. If you pay a finance charge or fee that exceeds that maximum amount, we will first apply the excess amount to reduce the principal balance and, when the principal has been paid in full, refund any remaining amount to you.

You understand and agree that some payments to third parties as a part of this Contract may involve money retained by us or paid back to us as commissions or other remuneration. You agree that the Property will not be used as a dwelling.

Application of Payments. We can apply your payments to any amounts you owe under this Contract, including the Finance Charge, Amount Financed, or any other amounts you owe, in whatever order we decide.

Prepayment. You may prepay the outstanding balance of this Contract in full or in part at any time. We will rebate to you the unearned portion of the finance charge, to the extent required by law. See *Minimum Finance Charge* section. Any partial prepayment will not excuse any later scheduled payments. If we get a refund of any unearned insurance premiums that you paid, you agree that we may subtract the refund from the amount you owe, unless otherwise provided by law.

Your Right to Refinance a Balloon Payment. A balloon payment is a scheduled payment that is larger than any of the substantially equal prior scheduled payments. If your final scheduled payment is a balloon payment, you have the right to enter into a new written contract when it is due (refinance). You may refinance a balloon payment in equal installments over a reasonable period of time. During this period, you will also pay a finance charge on the unpaid balance computed using the Annual Percentage Rate stated in the *Truth-In-Lending Disclosure*.

Governing Law and Interpretation. This Contract is governed by the law of Michigan and applicable federal law and regulations.

If any section or provision of this Contract is not enforceable, the other terms will remain part of this Contract. You authorize us to correct any clerical error or omissions in this Contract or in any related document.

Name and Location. Your name and address set forth in this Contract are your exact legal name and your principal residence. You will provide us with at least 30 days notice before you change your name or principal residence.

Telephone Monitoring and Calling. You agree that we may from time to time monitor and record telephone calls made or received by us or our agents regarding your account to assure the quality of our service. In order for us to service the account or to collect any amounts you may owe, and subject to applicable law, you agree that we may from time to time make calls and send text messages to you using prerecorded/artificial voice messages or through the use of an automatic dialing device at any telephone number you provide to us in connection with your account, including a mobile telephone number that could result in charges to you.

Default. You will be in default if you fail to perform any obligation that you have undertaken in this Contract (except as prohibited by law).

If you default, you agree to pay our court costs, attorneys' fees and expenses of retaking, repairing and storing a repossessed Vehicle securing this Contract.

If an event of default occurs as to any of you, we may exercise our remedies against any or all of you.

Remedies. If you are in default on this Contract, we have all of the remedies provided by law and this Contract. Those remedies include:

- ◆ We may require you to immediately pay us, subject to any refund required by law, the remaining unpaid balance of the amount financed, finance charges and all other agreed charges.
- ◆ We may pay taxes, assessments, or other liens or make repairs to the Property if you have not done so. We are not required to do so. You will repay us that amount immediately. That amount will earn finance charges from the date we pay it at the rate described in the *Payment* section until paid in full.
- ◆ We may require you to make the Property available to us at a place we designate that is reasonably convenient to you and us.
- ◆ We may immediately take possession of the Property by legal process or self-help, but in doing so we may not breach the peace or unlawfully enter onto your premises.
- ◆ We may then sell the Property and apply what we receive as provided by law to our reasonable expenses and then toward what you owe us.
- ◆ Except when prohibited by law, we may sue you for additional amounts if the proceeds of a sale do not pay all of the amounts you owe us.

By choosing any one or more of these remedies, we do not give up our right to later use another remedy. By deciding not to use any remedy, we do not give up our right to consider the event a default if it happens again.

You can prepay all of your debt and get a refund of the unearned portion of the Finance Charge. If you default and we repossess the Vehicle, we may, at our option, allow you to get the Vehicle back before we sell it by paying all past due payments, late charges, and expenses.

You agree that if any notice is required to be given to you of an intended sale or transfer of the Property, notice is reasonable if mailed to your last known address, as reflected in our records, at least 10 days before the date of the intended sale or transfer (or such other period of time as is required by law).

You agree that we may take possession of personal property left in or on the Property securing this Contract and taken into possession as provided above. You may have a right to recover that property.

If the Property has an electronic tracking device, you agree that we may use the device to find the vehicle.

Obligations Independent. Each person who signs this Contract agrees to pay this Contract according to its terms. This means the following:

- ◆ You must pay this Contract even if someone else has also signed it.
- ◆ We may release any co-buyer or guarantor and you will still be obligated to pay this Contract.
- ◆ We may release any security and you will still be obligated to pay this Contract.
- ◆ If we give up any of our rights, it will not affect your duty to pay this Contract.
- ◆ If we extend new credit or renew this Contract, it will not affect your duty to pay this Contract.

Warranty. Warranty information is provided to you separately.

Security Agreement

Security. To secure your payment and performance under the terms of this Contract, you give us a security interest in the Vehicle, all accessions, attachments, accessories, and equipment placed in or on the Vehicle and in all other Property. You also assign to us and give us a security interest in the following collateral security: proceeds and premium refunds of any insurance and service contracts purchased with this Contract.

Duties Toward Property. By giving us a security interest in the Property, you represent and agree to the following:

- ◆ You will defend our interests in the Property against claims made by anyone else. You will keep our claim to the Property ahead of the claim of anyone else. You will not do anything to change our interest in the Property.
- ◆ You will keep the Property in your possession and in good condition and repair. You will use the Property for its intended and lawful purposes.
- ◆ You agree not to remove the Property from the U.S. without our prior written consent.
- ◆ You will not attempt to sell the Property, transfer any rights in the Property, or grant another lien on the Property without our prior written consent.
- ◆ You will pay all taxes and assessments on the Property as they become due.
- ◆ You will notify us with reasonable promptness of any loss or damage to the Property.
- ◆ You will provide us reasonable access to the Property for the purpose of inspection. Our entry and inspection must be accomplished lawfully, and without breaching the peace.

Agreement to Provide Insurance. You agree to provide property insurance on the Property protecting against loss and physical damage and subject to a maximum deductible amount indicated in the *Insurance Disclosures* section, or as we will otherwise require. You will name us as loss payee on any such policy. Generally, the loss payee is the one to be paid the policy benefits in case of loss or damage to the Property. In the event of loss or damage to the Property, we may require additional security or assurances of payment before we allow insurance proceeds to be used to repair or replace the Property. You agree that if the insurance proceeds do not cover the amounts you still owe us, you will pay the difference. You will keep the insurance in full force and effect until this Contract is paid in full.

If you fail to obtain or maintain this insurance, or name us as loss payee, we may obtain insurance to protect our interest in the Property. Before we obtain insurance we will give you any notices required by law and credit for any refund we receive of prepaid, unearned premiums for cancelled dual-protection insurance. This insurance may be written by a company other than one you would choose. It may be written at a rate higher than a rate you could obtain if you purchased the property insurance required by this Contract. We will add the premium for this insurance to the amount you owe us. Any amount we pay will be due immediately. This amount will earn finance charges from the date paid at the rate described in the *Payment* section until paid in full.

Creditor-Placed Insurance Notice. You are giving us a security interest in the Property described in the *Security Agreement* section. You are required to maintain insurance on the Property to protect our interest until all debts secured by this Contract are paid. If you fail to provide evidence of insurance on the Property to us, we may place insurance on the Property and you will be responsible to pay for the costs of that creditor-placed insurance after we give you notice and wait any time period required by law. The method of billing for creditor-placed insurance charges may create a balloon payment or extend the maturity date of the debts secured by this Contract, if you and we agree to do so when the charge is added to what you owe us under this Contract.

Gap Waiver or Gap Coverage. In the event of theft or damage to the Vehicle that results in a total loss, there may be a gap between the amount due under the terms of the Contract and the proceeds of your insurance settlement and deductibles. You are liable for this difference. You have the option of purchasing Gap Waiver or Gap Coverage to cover the gap liability, subject to any conditions and exclusions in the Gap Waiver or Gap Coverage agreements.
